ABOUT ME

I am a professional IT engineer with ten years of experience in IT support, working for the Hellenic Government, Ministry of Education. I have also worked as a Computer Science teacher in secondary grade education in Greece for seven years. Now, I am looking for new exciting projects along with my current occupational status, in part time and remote working.

In my personal life i live in Larisa and i am father of four children.

HOBBIES AND INTERESTS

Chess

Love the game, the tension and the competition.

Basketball

I love to play basketball, always playing for the team, as a point guard.

Guitar

Playing a little for myself and family.

Agriculture

I spend time in general agriculture, taking care of my plants and a few dozens of olive trees I own.
